# Rhino-Rack Urgent Update

Commodore VE Sedan with Factory Fitted Sunroof

Please note that our RSP18 / RLCP18 roof rack will not fit if the vehicle has a FACTORY FITTED SUNROOF

The roof profile has been changed on these vehicles. We are looking into this issue now and we will notify you all once a solution has been found. Unfortunately this is one of those things out of our control.

**\*\* Note - Our 2500 option for this vehicle will fit without any issues.**

Contact our friendly sales and customer service team if you require more information on our latest products.

For more information contact your nearest authorised reseller.
