

Now you can upgrade your existing Rhino-Rack Rear Boat Loader (manual hand winch) to our new Worm Drive Winch option. Quick, easy, one person operation that lets you spend more time fishing!

Works directly from a cordless battery drill (Minimum 18volt recommended) with a smooth, safe and controlled action.

The Worm Drive upgrade kit comes complete for a quick and easy change over.

Contact our friendly sales and customer service team if you require more information on our latest products.
