Rhino-Rack Australia would like to introduce another bike carrier to its already popular & extensive range of rear hitch mounted bike carriers.

The XT4 is a new 4 bike carrier that gives you another option for carrying bikes in an easy and convenient manner.

The XT4 bike carrier comes with two rotating cradles that allows a wide variety of bike frame sizes to be fitted & transported safely and securely. The arms also fold down for easy storage when not in use.

The XT4 also has the ability to fold down into a position which allows for easy access to your boot or rear door compartment.
